

**PRICE LIST OF SERVICES PROVIDED BY  
PUBLIC LIMITED LIABILITY COMPANY KLAIPĖDA STATE SEAPORT AUTHORITY**

**Valid from 29 June 2026**

For the services specified in the price list of provided services, any service duration of up to 1 hour shall be considered as 1 hour.

**1. Vessel Services with Crew**

<b>Vessel Name</b>	<b>Hourly Rate (excluding VAT)</b>	<b>Comments</b>
Pilot Boats „Dangė“, „Mingė“, „Smiltė“	155,00 Eur	
Diving Boat „Gelmė“	189,00 Eur	The rates apply when the vessels are used for services not related to diving operations and bathymetric survey services on business days from 8.00 to 17.00.
Vessels „Naras“, „Lotas“	298,00 Eur	
Boat „Zunda“	124,00 Eur	The rate applies when the boat is used for services not related to pollution response.

The start of vessel services with crew is the vessel's departure from its berth, and the end is the vessel's return to its berth.

**2. Diving Services**

<b>Type of Diving Services</b>	<b>Hourly Rate (excluding VAT)</b>	<b>Comments</b>
Diving Service	369,00 Eur	The rate does not include the portion of diving services that require additional equipment and/or tools, or additional personnel.
Urgent Diving Service	479,70 Eur	Applied when the order is placed less than 2 hours before the start of service provision.
Diving Service outside working hours	553,50 Eur	Applied if the service is provided from 16:00 to 08:00 or on non-working days.
Urgent Diving Service outside working hours	664,20 Eur	Applied if the service is provided from 16:00 to 08:00 or on non-working days, and if the order is placed less than 2 hours before the start of the service.

The start of diving services is the departure of the diving vessel from its berth, and the end is the return of the diving vessel to its berth.

**3. Vessel services at quays operated by the Port Authority**

Vessel Service	Rate per linear meter of the vessel's maximum length (excluding VAT)	Comments
<b><i>When a contract is concluded for a period of not less than 12 months.</i></b>		
At quays No. 107–117 At the <i>Small Craft Marina</i> berths and cargo quays (note: berths and cargo quays of the new fleet base)	190,00 Eur	Per year
At quays No. 19-25	600,00 Eur	Per year
<b><i>When a contract is concluded for a period of less than 12 months, or when an order is placed and confirmed.</i></b>		
At quays No. 107–117 At the <i>Small Craft Marina</i> berths and cargo quays (note: berths and cargo quays of the new fleet base)	20,00 Eur	Per year
At quays No. 19-25	75,00 Eur	Per year
<b><i>When an order is placed and confirmed for a period of less than 30 calendar days.</i></b>		
At any quay operated by the Port Authority.	3,50 Eur	Per day

3.1. *Water supply, wastewater collection, and electricity supply to vessels are available at quays operated by the Port Authority. The use of the Port Authority's engineering infrastructure, as well as the consumed volumes of water and electricity and the discharged volume of wastewater, shall be paid according to meter readings at the following rates:*

Service name	Rate (excluding VAT)	Comments
Potable water supply	1,71 Eur//m <sup>3</sup>	When connecting to the Port Authority's infrastructure.
Electricity supply		The price of 1 kWh of electricity during the reporting month shall be equal to all costs incurred by the Port Authority for the supply and use of 1 kWh of electricity at the specific Port Authority quay during the same reporting period.
Wastewater (MARPOL IV) discharge into the sewage network (only at the cruise ship terminal at quays 28–33)	15,00 Eur/m <sup>3</sup>	This service fee shall apply to the quantity of wastewater discharged by each vessel that exceeds the wastewater quantity specified in the Ship waste reception and handling plan (current version published on <a href="http://portofklaipeda.lt">portofklaipeda.lt</a> ).

\* *Note: Connection and disconnection of a vessel to and from the engineering networks supplying water, electricity, or wastewater discharge services shall only be permitted with the authorization of the responsible employee of the Port Authority.*

3.2. *Vessel service operations in the Port water area:*

Service	Rate (excluding VAT)	Comments
Fresh water delivery to vessels	650,00 Eur per 50 m <sup>3</sup>	The service is provided using a vessel operated by the Port Authority within the boundaries of the port water area on business days 8.00 – 16.00.  If necessary, a smaller quantity of water may also be delivered to the vessel. In such case, the rate shall be reduced only by the value of the undelivered quantity of water.
Delivery of goods and supplies to a vessel, where loading operations are carried out at the Fleet Base (former <i>Small Craft Marina</i> ) lasting up to 0,5 hours.	585,00 Eur / operation	For the collection of goods from another quay, the time spent by the Port Authority vessel traveling to the other quay is taken into account, and a proportionally calculated vessel rental cost of the Port Authority vessel at a rate of EUR 298/hour is added to the operation cost.  The service fee applies on business days 8.00 – 16.00.
The rate for loading goods and supplies onto a Port Authority vessel when loading operations from the quay to the vessel take more than 0.5 hours.	130 Eur/hour	When applying this rate, loading operations of less than 1 hour are calculated as a full 1 hour on business days 8.00 – 16.00 val.
Collection MARPOL I waste (bilge water and sludge) from vessels.	45,00 Eur/m <sup>3</sup>	Waste collection is carried out using the Port Authority's zero-emission vessel RASA.
Collection of MARPOL IV waste (sewage) from vessels.	35,00 Eur/m <sup>3</sup>	Waste collection is carried out using the Port Authority's zero-emission vessel RASA. This rate does not apply to cruise ships berthed at quays No. 28–33. For them, the rates specified in Section 3.1 of this price list shall apply.
Vessel RASA arrival fee	360,00 Eur	When, at the agreed waste collection time, the Client's vessel is not ready to deliver waste and the waste delivery process is not commenced within 30 minutes due to circumstances attributable to the Client, and no prior cancellation of the service was submitted to the Port Authority at least 1 hour before the scheduled start of the service.

**4. Other services provided by the Port Authority**

Service	Rate (excluding VAT)	Comments
Pilot ordering	500,00 Eur / order	The service fee applies when, in accordance with legal requirements, the pilotage service was ordered and the vessel's master signed the pilotage certificate, but the service was not actually used and no waterway dues were charged.
Examination of ship masters seeking authorization to navigate within the waters of Klaipėda State Seaport without a pilot.	500,00 Eur / exam	
Bathymetric survey service	1 015,00 Eur / hour	The service time is calculated from the departure of the hydrographic vessel LOTAS until its return to the quay. Any service duration of up to one hour shall be charged as one full hour. Service fee applies on business days 8.00 – 16.00.
Registration of term-limited vessel departure	9,09 Eur / unit	The form of the act is available at <a href="http://portofklaipeda.lt">portofklaipeda.lt</a>
Short boat tour around the port	710,00 Eur	Sailing to the southern part of the port from the cruise ship terminal, with a service duration of approximately 1 hour on business days 8.00 – 16.00.
Comprehensive boat tour around the port	975,00 Eur	Sailing to the northern and southern parts of the port from the cruise ship terminal, with a service duration of approximately 2 hours on business days 8.00 – 16.00.
Additional services: coffee, tea, and water (up to 40 persons).	70,00 Eur	Only in combination with the short or comprehensive boat tour services.

**5. Advertising broadcast on LED screen service**

Service	Rate (excluding VAT)	Comments
Single broadcast up to 10 seconds	0,06 Eur	
One broadcast up to 10 seconds, when screen occupancy is 30%.	0,072 Eur	
One broadcast up to 10 seconds, when screen occupancy is 60%.	0,084 Eur	
One broadcast up to 10 seconds, when screen occupancy is 80% or more.	0,096 Eur	

**6. Vessel mooring services**

<b>One operation depending on vessel size</b>	<b>Rate (excluding VAT) per GT</b>	<b>Comments</b>
Minimum charge for one mooring operation for vessels up to 3,500 GT and for vessels without stated GT in their documentation.	250,00 Eur / operation	
3 501 – 20 000 GT	0,07 Eur	
20 001 – 100 000 GT	0,04 Eur	
100 001 ir daugiau GT	0,03 Eur	

If a mooring operation is performed after 17:00 or on public holidays, the price of mooring services shall be increased as follows:

- Monday–Thursday: after working hours (from 17:00) and until the start of the working day (08:00) – by 25%;
- Friday: after working hours (from 16:00) and until 24:00 – by 25%;
- Weekends and public holidays: by 50%.

This provision shall be applied based on the start time of the mooring operation.

## 7. Pollution cleanup and collection services

Mutual assistance service covering the continuous deployment and readiness of dedicated equipment and personnel for pollution incident response – EUR 300.00 per month (excluding VAT). This service is provided solely under a mutual assistance service agreement.
